Part [43](#) Maintenance, Preventive Level 1 For anyone working in
Maintenance, Rebuilding, and aviation
Alteration.

[§ 43.12](#) Maintenance records: Falsification, reproduction, or alteration.

- (a) No person may make or cause to be made:
- (1) Any fraudulent or intentionally false entry in any record or report that is required to be made, kept, or used to show compliance with any requirement under this part;
 - (2) Any reproduction, for fraudulent purpose, of any record or report under this part; or,
 - (3) Any alteration, for fraudulent purpose, of any record or report under this part.
- (b) The commission by any person of an act prohibited under paragraph (a) of this section is a basis for suspending or revoking the applicable airman, operator, or production certificate, Technical Standard Order Authorization, FAA-Parts Manufacturer Approval, or Product and Process Specification issued by the Administrator and held by that person.

Question 1: A typographical error or other mistake in a maintenance record is a violation of this rule.

A: True.

B: False. Paragraph (a) limits the rule to actions that are “fraudulent or intentionally false.”

Question 2: This rule only applies to a person making a record entry.

A: True.

B: False. Paragraph (a) also applies to persons who “cause” a fraudulent or intentionally false record or report.

Question 3: A violation of this rule could result in revocation of an individual mechanic’s airframe and/or powerplant certificate.

A: True. Paragraph (b) states that a violation of this rule may serve as the basis for suspending or revoking an airman certificate.

B: False.

Question 4: This rule only applies to logbook entries.

A: True.

B: False. The rule applies to any record or report that is required to be made, kept, or used to show compliance with any requirement under part [43](#).
