Richard Moriarty
Chief Executive
Legal Department
Civil Aviation Authority

Dear Mr. Moriarty,

Thank you very much for your correspondence and for providing clarity over the current state of affairs between the European Union (EU) and the United Kingdom (UK).

Thank you for confirming that the UK Civil Aviation Authority will continue to adhere to the obligations and procedures of EU Member of States, as outlined in the Canada-EU Aviation Safety Agreement and its Annexes even after withdrawal from the EU.

It has been a pleasure working together to maintain predictable and stable market conditions for our respective aviation and aerospace sectors while ensuring the continuity of services to minimize disruptions to air transportation. In addition, I am pleased that we were able to complete two versions of the new working arrangement between Transport Canada and the UK Civil Aviation Authority in time for the Brexit decision.

We look forward to the continued co-operation between both our states in promoting sustainable, safe aviation and flow of service.

Sincerely,

Nicholas Robinson
