

Federal Aviation Administration

Memorandum

Date: MAY 25 2007

To: All Regional Flight Standards Division Managers
All Regional Technical Standards Branch Managers

From:  David E. Cann, Manager, Aircraft Maintenance Division, AFS-300

Prepared by: Rick Domingo, AFS-301

Subject: Rescind April 13 Memorandum; The Use of Technical Orders (TO) and the Alteration of Data Plates

In responding to a field request regarding the use of TO for maintenance and the alteration of data plates, we have become aware of the immediate consequences this has had on the industry.

As we continue evaluating the unique circumstances of the situation, it is necessary to rescind the original memo until we formulate the proper regulatory basis and before issuing policy direction.

Therefore, this memo rescinds the memo dated April 13, 2007. Please disseminate this information to your respective offices.
