

ARSA Regulatory Compliance Training—Questions

Part **11**: General Rulemaking Procedures

Level 1: For anyone working in aviation

§ 11.51 May I request that FAA hold a public meeting on a rulemaking action?

Yes, you may request that we hold a public meeting. FAA holds a public meeting when we need more than written comments to make a fully informed decision. Submit your written request to the address specified in the rulemaking document on which you are commenting. Specify at the top of your letter or message that you are requesting that the agency hold a public meeting. Submit your request no later than 30 days after our rulemaking notice. If we find good cause for a meeting, we will notify you and publish a notice of the meeting in the Federal Register.

§ 11.53 What takes place at a public meeting?

A public meeting is a non-adversarial, fact-finding proceeding conducted by an FAA representative. Public meetings are announced in the Federal Register. We invite interested persons to attend and to present their views to the agency on specific issues. There are no formal pleadings and no adverse parties, and any regulation issued afterward is not necessarily based exclusively on the record of the meeting.
