## ARSA Regulatory Compliance Training—Answers

Part **21**: Certification Procedures for Products and Articles

Level **1**: For anyone working in aviation

### § 21.49 Availability.

The holder of a type certificate must make the certificate available for examination upon the request of the FAA or the National Transportation Safety Board.

### § 21.50 Instructions for continued airworthiness and manufacturer's maintenance manuals having airworthiness limitations sections.

(a) The holder of a type certificate for a rotorcraft for which a Rotorcraft Maintenance Manual containing an “Airworthiness Limitations” section has been issued under § 27.1529 (a)(2) or § 29.1529 (a)(2) of this chapter, and who obtains approval of changes to any replacement time, inspection interval, or related procedure in that section of the manual, must make those changes available upon request to any operator of the same type of rotorcraft.

Note: The remainder of § 21.50 will be covered in separate training sheets.

**Question 1:** *The holder of a type certificate must make it available upon request of any government agency.*

A: True.

B: **False.** § 21.49 only requires type certificate holders to make their certificate(s) available to the FAA or NTSB.

**Question 3:** *Section 21.50(a) concerns changes to replacement time, inspection interval, or related procedure in any maintenance manual.*

A: True.

B: **False.** § 21.50(a) only concerns those listed changes made to a Rotorcraft Maintenance Manual and its “Airworthiness Limitations” section.

**Question 2:** *As referenced in § 21.50(a) the standards for rotorcraft instructions for continued airworthiness are contained in the airworthiness standards of parts 27 and 29.*

A: **True.** The ICA-related sections referenced in § 21.50(a) direct applicants and certificate holders to Appendix A of each part.

B: False.

**Question 4:** *A rotorcraft type certificate holder must make the changes available to any person required by the regulations to comply with the Airworthiness Limitations section.*

A: True.

B: **False.** § 21.50(a) requires rotorcraft type certificate holders only need make changes available to “any operator of the same type of rotorcraft”, “upon request”.
